Modernization of academic library services in Moldova: Sustainable partnership

Ane Landøy, University of Bergen Library Project leader IiN
„Modernization of academic library services in Moldova”, funded by Norwegian Cooperation Programme in Higher Education with Eurasia.
Project number: CPEA-2015/10014
Content of project

- Capacity building
  - Workshops
  - Summerschools
  - Study trip to Bergen
  - Participation in conferences
  - Strategy development
  - Best practices
  - English

- Networking
  - Electronic journals
  - Bibliography
  - Institutional repositories
  - Academic writing centres
  - Dissemination activities
  - Project web page
If the project is successful the librarians working in the academic libraries in Moldova will be better trained for running modern library services. This will influence the quality of higher education and research. The librarians will have better English language skills, and will have strengthened their networks, both within and outside Moldova. The general public will have a better understanding of the importance of libraries.
Keep the network!
